Ruralco wishes to appoint suitable candidates to the following positions, based across **various Australian locations**:

Commercial Manager

As Senior Sales Agronomist Manager and a key support to the General Manager, you will be responsible for supporting the Agronomy team and originating and maintaining a portfolio of clients providing agronomic advice in improving product and general farming practices. This is provided on a fee for services and/or supply of inputs basis. **Ref No.: RA52**

Branch Managers (Various positions)

You will provide support to the running of a branch and merchandise activities to maximise the financial returns of the branch by improving margins set at store level. **Ref No.: RA53**

Senior Agronomists (Nine positions)

Positions are in horticulture, broadacre, vegetable, pasture & cotton production

You will provide sound agronomic advice in your field of expertise to assist farmers in improving efficiencies, productivity and general farming practices with the aim to grow and expand the customer base, achieve sales and improve profitability.

A formal qualification in agronomy or BSc in Agricultural or relevant fields is essential, coupled with excellent business acumen and subject expertise.

- Horticulture production: Ref No.: RA54/07 • Pasture production: Ref No.: RA54/10
- Broadacre production: Ref No.: RA54/08 • Cotton production: Ref No.: RA54/11
- Vegetable production: Ref No.: RA54/09

Market related packages are on offer, as well as assistance with relocation expenses and work permit applications. Two year contracts are available with the possibility of full time employment and assistance with Australian citizen application.

Signium Africa has been exclusively retained to advise on these key appointments. If you are a suitable candidate who can make a difference to this dynamic organisation, please e-mail a detailed CV to Sewela Sekhitla at sewela.sekhitla@signium.co.za on or before close of business on Friday, 22 June 2018, quoting the relevant reference number.

Enquiries may be directed to Lesego Setou on +27 11 771 4800.
Auguste (Gusti) Coetzer will act as Project Coordinator.
