

2020 GRADUATE PROGRAM

McCain Foods (SA) is offering a structured one year Graduate Trainee Program to Graduates in the following fields:

- **Communications**
- **Information Systems and Technology**
- **Consumer Science**
- **Mechanical or Industrial Engineering**
- **Sales & Marketing**
- **Agriculture**

The program offers Graduates the opportunity to gain experience in a complex, multinational FMCG business with an integrated supply chain including agriculture, manufacturing, logistics & distribution, and sales & marketing.

The program will cover leadership and personal development as well as practical exposure to projects, including the day to day operations of this family owned business.

Kindly apply under the relevant graduate position on our careers website. Applications that are not in the relevant position will not be considered.

Documents to attach:

- Updated CV on PDF
- Latest academic record

2020 GRADUATE PROGRAM

Preference will be given to Historically Disadvantaged South African (HDSA) graduates.

The closing date for applications is **31 October 2019 (Thursday)**.
